Tent Areas

Tents are allowed in the designated areas near the fields. Please adhere to these marked areas. **There will be vendors and food concessions on site.**

Parking

Please follow all parking signage and parking staff. Failure to comply with direction may result in loss of on campus parking privileges. Illegally parked vehicles will be towed at the owner's expense.

DO NOT STOP ON ROADWAYS TO DROP OFF PLAYERS, SPECTATORS OR EQUIPMENT. THIS IS A TRAFFIC HAZARD AND COULD RESULT IN BODILY INJURY TO PEDESTRIANS AND MOTORISTS. PLEASE FIND A PARKING SPOT AND UNLOAD THE VEHICLE AND PASSENGERS AT THAT TIME.

Lightning Policy

Play will be suspended if thunder is heard or there is a lightning strike within 10 miles of the facility as determined by our weather tracking system. Play will resume 30 minutes after the last lightning strike in the area.

The signal for thunder/lightning will be 5 air horns. Upon hearing this, all personnel should move to a solid structure shelter area. For facilities that do not have a hard structure facility, participants will be instructed to move to their vehicles. Tents are NOT considered shelter and families should not stay in the tent areas during conditions with Lightning in the area.
