BOYS Tournament Game Play & Rules (version 1)

COVID-19 On-Field Adjustments

1. **No Face-offs:** Possession to start the game will be awarded to the first team listed on the schedule.
2. **Handshakes & Celebrations:** Participants should refrain from unnecessary physical contact with teammates, opposing coaches/players, officials, staff and fans such as handshakes, high fives, fist bumps, hugs and goal celebrations. A post game cheer for the opposing team shall suffice as a show of sportsmanship and teams are welcome to develop their own socially distant ways of substituting the handshake line.
3. **Social Distancing:** Coaches and players should observe safe social distancing whenever possible during competition and while on-site. Team huddles are discouraged and players on the sideline should maintain 6' of separation.

Game Play

1. Games will consist of one (1) twenty-six (26) minute running period.
2. Teams will have one forty-five (45) second time-out per game. Timeouts cannot be used in the last five (5) minutes of the game.
3. There is No Overtime. Tie games will be recorded as ties.

Boys Game Rules – US Lacrosse Base Rules with Following Modifications and Points of Emphasis:

1. **Players:** 6v6; 5 Field Players and 1 Goalie.
2. **No Long Sticks** are permitted on the field at any time.
3. **Field Size** will be approximately 60 yards long by 30 yards wide.
4. **No Face-offs:** Possession to start the game will be awarded to the first team listed on the schedule. After a goal is scored any player from the team that was just scored on can pick up the ball from the goal and referees will blow the whistle to restart play.
5. **No off-sides**, all players can use entire field with the exception of the goalie who must remain behind the midline unless another player stays back.
6. **Man-up** on time served penalties. All penalties will be running time; penalty time starts on next whistle and will be kept by field marshal on the field.
7. **Substitutions** will be on the fly through the box only.
8. There will be **No Stick Checks** unless requested by the opposing coach. If a requested stick is found to be illegal, a sixty (60) second non-releasable penalty will be assessed. check per game. No stick checks are permitted in the last ten minutes of a game. Sticks must meet US Lacrosse Youth standards.

9. **Body checking** will be called tightly in the interest of player safety. Limited body contact is allowed - appropriate physical play to stop offensive players from advancing to the cage using sound defensive principles, athletic positioning and equal pressure are permitted. A one to three-minute non-releasable penalty will be called for a body check that is to the head and/or neck area, on a defenseless player, a blindside hit, or deemed excessive by the referee. These penalties are unnecessary roughness and not in the spirit of fun tournament play. Repeated unnecessary roughness offenses may result in ejection from the tournament. **NO big body hits are allowed in any division.**
 - **No body checking at all in the 3rd/4th grade division**
10. **All One-handed checks will be called a slash** resulting in sixty (60) second releasable penalty (including, but not limited to ice picks, wrap checks and rusty gates)
11. No diving into the crease.
12. There will be **no Clearing Counts** and **no “Over and Back” Rule.**
13. **Helmets** are required during pre-game warm-up and practice time: All players must properly wear the mandatory protective helmet when they are on the field or engaging in warm-ups or any drills that involve passing, shooting or scrimmaging.
14. Every player on the field must wear a **mouth guard** completely in their mouth at all times while on the field of play. Players caught not properly wearing a mouth guard will be assessed a sixty (60) second releasable penalty.
15. **Mercy Rule:** If team A is up by 6 or more goals then all players must drop back to the midfield line after a goal and team B is awarded the ball at midfield to restart play. Team B has the option to decline implementation of the mercy rule.
16. **Alternate Possession:** is awarded to the team listed second on the schedule.
